

## CHRISTOPHER FRANKE

### *Complaint*

#### *Pet Shop*

*-thin fellow with mustache*

Cust. came in to inquire  
about something to keep a dog  
from jumping from back of car  
to front seat  
constantly  
Clerk told her to spend 15¢  
for a newspaper  
and roll it up  
and shake it in front of dog  
and say listen here  
you son-of-bitch  
Stay in that Back seat  
or God Damn it  
I will kill you  
Cust. was looking for something  
For her friend  
who has a dog like this  
Cust. never had anyone  
talk to her like this  
and never thought  
she would hear it  
from a Higbee  
Employee.
