

Proverbs 31:25

How far you've fallen.  
I guess it was inevitable  
To gaze into the mirror  
And see this pale reflection,  
Pathetic, lost, uncertain,  
Just a ghost of myself.  
But, no, I've not forgotten  
What it's like to feel beautiful.  
I wait for sunlight  
To conquer all the shadows  
Lingering in my heart,  
Because darkness never lasts  
Forever.
